

# Champions *of* Honor

# COVENANT PROMISE

It is understood that Champions have a will to win and never quit. They are focused and are disciplined to finish the race.  
Champions must develop a Champion's Heart and must be loyal to the team they serve.

This covenant is with God, my family, and my pastor that I will develop the characteristics of a Champion and become more like Jesus, the 'Champion of All.' I am, therefore, committed to be:

A man of **vision** who is pure and holy.

A **team player** who is in unity with others

A man of **discipline** who trains to win

A **faithful** man in all things

An **inspiration** to others in the ways of God

A man who **perseveres** through all things in the strength of God

A man of **character** who is uncompromising

By signing below, it is agreed that we enter into a commitment to be a Champions of Honor!

I will complete the courses and/or Champions training classes.

I will pray for my pastor, the church, my family and community and pray for Champions.

This is agreed upon this \_\_\_ day of \_\_\_\_\_, \_\_\_\_\_.
